

Dear guests,

we are delighted that you have chosen our Hotel Heiderose on the island of Hiddensee. We are confident that you will have relaxed and beautiful days on the island.

Below we have summarized all the information for your journey to Hotel Heiderose. Due to the island location and the car-free nature of Hiddensee, the journey is somewhat unique. We recommend that you print out this information so that you have access to all the contact details. If you have any questions, please feel free to contact us at any time on our central telephone number for Hotel Heiderose: **+49 151-57706866**.

### Starting point: Schaprode oder Stralsund

The shortest route across the Bodden (lagoon) starts from the port of Schaprode on the island of Rügen. Schaprode is located in the west of Rügen. Here, the ferries of the Hiddensee shipping company as well as water taxis depart. You will automatically reach the port if you continue straight through Schaprode coming from Trent. There is also a ferry connection from Stralsund available. The ferry from Stralsund is particularly recommended for those arriving by train.

### Parking in Schaprode

In Schaprode, there are two large parking lots. The most convenient parking lot is located directly opposite the building of the Hiddensee shipping company and the pier for the ferry and water taxi. However, especially in summer, this parking lot can sometimes be full. There is a large parking lot available at the entrance of Schaprode. This parking lot is connected to the harbor by a small shuttle train. Parking spaces do not need to be reserved. A hidden gem is the Aparthotel Schafshorn located at Streuer Weg 65a. Here, you can park at an affordable price and reach the harbor in around 500 meters. The Schafshorn is also a convenient accommodation option if you happen to miss the last ferry.

### Taking the ferry to Hiddensee

The ferry connection is operated by the Hiddensee shipping company. On Hiddensee, the ports of Neuendorf, Vitte, and Kloster are served. We recommend the port of Vitte for your journey to Hotel Heiderose. Here, you will find a variety of gastronomic offerings in the harbor area, as well as an Edeka supermarket along the way. It is also possible to arrive from the southern village of Neuendorf. The ferry schedule can be found at [www.reederei-hiddensee.de](http://www.reederei-hiddensee.de). The schedule may vary depending on the season. Currently, a **round-trip ticket for an adult costs €27.50**. Tickets can be purchased on-site at the ferry company's harbor building.

For any questions, you can reach the shipping company at **+49 3831-2681-0**. The journey time to Vitte is approximately 45 minutes. Drinks and small snacks are available on the ferry. Restrooms are available in the harbor building and on the ferries.

Sometimes, water taxis are present at the Schaprode pier while waiting for the ferry. A hidden tip is to ask if you can “join” them. Usually, the person booking the water taxi allows this for a small fee. This way, you can reach your destination much faster and at a similarly affordable price.

## Individually by water cab

You can order water taxis by phone. We recommend calling the water taxi service at least 1 hour before departure. Here are the phone numbers for the water taxis (you will be redirected to the available water taxis):

Anna Maria: **+49 171-745 77 13**, Pirat: **+49 171-745 77 13**, or Störtebeker: **+49 171-745 77 10**.

With the water taxi, you can arrange a specific departure time, and the water taxi will wait for you at the harbor. The crossing to Vitte or Neuendorf takes approximately 15 minutes. Currently, a **one-way trip costs €113.50**. Therefore, taking a water taxi is particularly advantageous for a group. We recommend Vitte as the destination port. Here, you can enjoy a variety of gastronomic offerings in the harbor area.

Simply return the handcart in front of the hotel

when you're done using it. If you are arriving via Neuendorf or cannot find a handcart on-site, please call us at **+49 151-577 06 866**.

## Walking to Hotel Heiderose

Hotel Heiderose is centrally located between the two villages of Vitte and Neuendorf in the Dünenheide area. From the port of Vitte, Hotel Heiderose is approximately 2.5 km south. You will leave the Vitte harbor and head towards the town center of Vitte. Here, the streets Sprengel (along the Bodden) and Wiesenweg will turn left. Wiesenweg leads to the street In den Dünen, which directly leads to Hotel Heiderose. The hotel is located on the left side in a secluded location and is hard to miss.

Alternatively, you can pass through Wiesenweg. On the right side, you will find the local Edeka supermarket. Continuing straight ahead, you will come to an intersection where Hotel Ostsee is located. If you would like to take a small detour, just 100 meters straight ahead from there is the beautiful Weststrand beach of the island. At Hotel Ostsee, turn left. This route has the advantage of taking you directly through the town center of Vitte. Here, you can stop by Hotel Godewind or Restaurant Kleiner Prinz for a meal. Across the street, you will find a Sparkasse bank with an ATM. Continuing straight ahead, heading south, you will reach the street "In den Dünen." Hotel Heiderose is located on the left side in a secluded location and is hard to miss.
